CAS FAIR

On May 11, 2023, after a long period of planning and preparation, students of DP Year 1 organized and executed the CAS Fair. The purpose of the CAS Fair was to raise funds by selling food and games that would later be used in service activities by the DP Year 1 students.

The CAS Fair was carried out with overwhelming success and the students were able to raise a significant amount of funds for the purposes of charity.

PARENT-STUDENT SESSIONS

On 7th May 2023, Mr M. Rehan Rahid, father of Abu Turab (DP Year 2 student) who is a famous banker and economist came to address the DP Year 1 students. He has worked in many banks not only in Bangladesh but also abroad. He shared his insight on how Geography, Geopolitics and History play an important role in the recession as well as in globalization. Mr Rehan also emphasised the importance of networking with people in his line of work.

Dr Shahpar Nahrir, the mother of Amina and Maryam (DP Year 1 students), is a Neurologist. She shared some of her life experiences as well as real-life situations she faced as a doctor and also her life-touching stories that she underwent to become a famous neurologist.

Dr Shapar currently has 30 research papers published in internationally acclaimed journals and the feedback (positive and negative) that she receives from different sects of people enable her to improve her work in a much better way.

PRE-IB DP ORIENTATION

On the 22nd of May, the parents and students of MYP 5 (Grade 10) partook in the Pre-IB DP Orientation Program. This session was organized to help future prospective students and parents to have a better understanding of the Diploma Programme and the various subject choices offered in DP Year 1.

During this program, four current DP Year 1 students presented their views and opinions on DP and some of the experiences they had so far.
